Agriculture

IBM Watson

Website

5:50 Discussion and Approval of WHY document

6:00 Presentation and discussion of MRV Vitality Summary Story

- Is this the right approach?
- If it isn't, please suggest an alternative.
- If it is the right approach, what did we miss?
- What other attributes/assets should be included?
- How should we use this document? (Maybe differ this discussion to later meeting)

6:40 What are the attributes in the story that need to be addressed? – not real now

- List out
- Sort to like heading
- Prioritize

7:00 Share Skills

- Build groups by skills and interest in headings
- How should groups work

7:15 Next meeting agenda

- Review what we have achieved this meeting
- Group discuss next meeting
 - o Needs prior to meeting
 - o Sub groups to do's

7:30 Adjourn (This is a set commitment)
